

Adult Impact Questions

May 21, 2017

If possible, read the book of I Peter 2:2-3 from several translations. For additional insight and study go to www.studylight.org.

1. Discuss the correlation between a baby craving milk and how the Christian should crave the Word of God.
2. What is to be the result of craving spiritual milk? Cite other passages that exhort us to desire God's Word. For example see Joshua 1:8; Psalm 1:2-3; II Timothy 3:16-17 and Hebrews 5:12-14.
3. Discuss both internal and external challenges that make it difficult to desire the pure spiritual milk of God's Word.
4. If you already have a plan in place to study God's Word regularly, share it with the group. If you don't have a plan to study God's Word what will you do this week to nurture such a desire?
5. Read through Psalm 119 and notice all the benefits from studying God's Word.

Next week: I Peter 2:4-8
