

## Adult Impact Questions

October 22, 2017

If possible, read the book of I Peter 3:22 from several translations. For additional insight and study go to [www.studylight.org](http://www.studylight.org).

1. What other verses speak either of Christ ascending into heaven or being in heaven? For example see Acts 1:9; I Thessalonians 4:16; Hebrews 1:3, 8.

What is the significance of Christ being at God's right hand?

What is the implication for us that Christ is in heaven?

Why does Peter mention angels, authorities, and powers and that they are in submission to Him?

2. That Christ is in heaven reveals four truths about Him. Scripture examples are given but cite other references as well in support or as illustrations.

What does Scripture say about His accessibility? See Hebrews 4:16.

What does Scripture say about His authenticity? See John 1:18; Matthew 3:17

What does Scripture say about His authority? See Matthew 28:18; Hebrews 1:2-8

What does Scripture say about His army? Matthew 26:53; Revelation 8:2; 12:7; 19:14

3. Peter ends this chapter where he began – with submission. Read chapter 3 again and consider one area that you need to submit to Christ.
