

Adult Impact Questions  
December 10, 2017

If possible, read the book of I Peter 5:5-6 from several translations. For additional insight and study go to [www.studylight.org](http://www.studylight.org).

1. We return once again to the topic of submission. What does Peter mean that the younger men are supposed to submit to the older? What constitutes younger and older?

What does submission to older men look like practically?

What are your observations today about this sign of respect?

2. Define humility. Discuss what it means to be clothed with humility. What is the correlation between submission and humility?

3. Read and discuss Philippians 2:3-11. What examples from the life of Christ demonstrate His submission/humility?

4. What does it mean that God opposes the proud and gives grace to the humble? What examples from Scripture can you cite of both?

5. How does God lift up the humble and when will that take place? What evidence in your life is there of humility to God?

Next week: Luke 2:8-20
