If possible, read Genesis 34:1-31 from several translations. For additional insight and study go to [www.studylight.org](http://www.studylight.org).

1. There are a number of grievous acts committed in this passage. What are they and where in Scripture do we find that they are sin?

What evidence is there in this passage that Jacob's sons are just like him?

What would have been the better course of action in this case? Defend it from Scripture.

2. What was Hamor's intentions in this arrangement?

Discuss whether you think his intentions were right or wrong in regard to this arrangement.

3. Is Jacob right in fearing the surrounding nations due to the actions of his sons?

Review Jacob's life from the preceding chapters and discuss God's promises in light of his fear?

4. How does the actions of Simeon and Levi impact their inheritance later on?

5. What challenges from Scripture are there for you?
